

## TDD with JUnit Lab 2 (end of lab)

Add support for too many students per class

For each student over the 20th one (21+ students), give a 0.2% discount from the total cost

- 21 students: cost is discounted 0.2%
- 22 students: cost is discounted 0.4%
- 23 students: cost is discounted 0.6%
- etc.
